Re: McCurdy v. City of New York et al
17-CV-5168

Your Honor:

I represent the plaintiff in the above-entitled civil rights cause of action.

The Court has scheduled a trial of this case on July 22, 2019. However, on July 9, 2019, I was diagnosed with a stroke and was hospitalized for further medical treatment. Due to my health condition, it is very unlikely I could provide my client with competent and effective representation in such a short time.

We have contacted the adversary counsel and he consented this adjournment of trial.

Therefore, we respectfully request the trial currently scheduled for July 22, 2019 at 9:30 a.m. be adjourned.

Respectfully submitted,

/s/

Fred Lichtmacher
